Finders Script

*#1 **We recommend that you speak with people that you are familiar with and know have secure finances; your warm market. Once they are interested, you will set up an appointment for us to talk to them on the phone to qualify them. That's all there is to it!*

#2 We recommend that you PRINT THIS SCRIPT OUT

#3 We suggest that you make multiple copies of PAGE #3 of this script so that you can take down the investor information easily. This will also make it easy for you to pass it along to us.

PLEASE NOTE: our first priority is talking to investors who are in the LA area, so that they can come to the meeting in person. Please call people you know in LA first. We will be more than happy to speak to people in other areas too, but they will be attending an investor presentation by phone instead.

Hi _____, How's it going?

I was thinking about you and I wanted to let you know about a great opportunity. My acquaintance / friend is doing a business presentation and they are looking for qualified investors who want to hear about a great opportunity to grow their money rapidly.

This is a high risk, high return venture and I thought you might be interested in it.

Would you like to know more about it?

If no, thank them and hang up.

If yes...

This is an online company that deals with the Matchmaking and relationships industry. They have affiliates in high places who are connected to established

corporations.

Do you work with a financial advisor? (if yes thank them and get off the phone)

Can you make your own financial decision or do you need to consult with someone else first? (if yes, ask them if they will bring the other person with them)

Are you a Lawyer? (if yes, thank them and get off the phone)

Are you a US citizen? (If no, thank them and end the call)

Are you liquid right now for at least \$20 Thousand to make an investment if all the pieces are in place to grow your money rapidly? (if no, thank them and get off the phone)

I'd like to introduce you to them. They can call you between 5:30-8pm (PST) Monday, Wednesday or Thursday, which day is best for you? What is the best number for them to reach you?

They will be having a presentation within the next week. Once you talk to them, they will invite you to the next Private Business Reception to learn about the opportunity.

If they ask any questions about the business say:

"They can answer your questions during a brief introduction on the phone. What's the best day to reach you, Monday, Wednesday or Thursday?"

Thank them, tell them that you are excited for them, and say goodbye.
